PROPERTY DESCRIPTION

Very private setting...your very own retreat! Beautifully maintained home has a contemporary flair, is in an area of the township where there are hundreds of acres of preserved land and offers views from every window. First Floor consists of a wide entry foyer; living room with vaulted ceiling; well proportioned dining room; den/library; large eat-in kitchen; laundry and access to oversized 2 car garage...PLUS...a separate guest or "au pair" suite with separate entrance (this area would also be great space for the at-home professional). Most rooms on this level provide access to stone terraces. The second floor consists of two bedrooms; main bath; and a main bedroom suite that offers a cathedral ceiling, large closets, dressing area and full bath...PLUS...access to a private wrap-around deck and great views. Additional: large outbuilding that could be used for cars, wood shop, or possibly converted to a stable; small pond that attracts deer and the neighborhood Blue Heron. Don't miss a really great value.
