PROPERTY DESCRIPTION

Great Home in a Great Neighborhood! This property provides convenient access to routes into Philadelphia and the Princeton, Route 1 Corridor. The home offers four bedrooms and a fifth that can either be used as a bedroom or office. Hardwood floors accent the house and are found in the living and dining rooms, and under the carpeting on the second level. The master suite bath and the second floor hall bath were completely updated in 2005. Newer ceramic tile accents the kitchen and foyer floors. Additional living space is found in the partially finished basement and the screened porch that looks out to the private rear yard. This well maintained property is located just minutes from downtown Yardley Borough and is in the Pennsbury School District.
