PROPERTY DESCRIPTION

This 4 bedroom colonial in Arbor Walk is neutral throughout and in move-in condition. The first floor is enhanced by hardwood floors in all rooms except for the family room which is carpeted. The eat-in kitchen flows into the family room and provides access to the rear brick patio, making this space perfect for entertaining. The kitchen features plenty of counter/cabinet space, S/S gas stove and dishwasher, and access to the finished basement, main floor laundry, and garage. There is a slate, wood-burning fireplace in the cozy family room. The neutral carpeting on the second floor was installed in the summer of 2005. The master bedroom suite features a cathedral ceiling, full bath with whirlpool tub and stall shower, and a walk-in closet with cedar inset. The rear yard is fenced and has an inground pool with large brick patio. This is a house that is not to be missed and which provides convenient access to shopping and major roads
